two commissions within the public relations society of america have recently defined courses in case study analysis research methods and behavioral science theory as central to an acceptable public relations curriculum to date these three streams within pr education have run independently of each other the authors produced this volume because they believe that there is a growing demand for an integrative applied theory approach to the study of public relations cases the need for pr professionals to study the social political and economic contexts of public relations carefully had been apparent for some time as issues management and environment scanning emerged as focal points of modern public relations yet there was no systematic framework for such study this volume however with its strong foundation in theory provides just that framework and is highly suitable for graduate level courses in public relations

for the almost 40 years of its existence anpocs has contributed to introducing or consolidating new thematic areas in the academic agenda of debates in the brazilian social sciences commensurate with this history at the 37th annual meeting hosted in guas de lindoia so paulo in 2013 we organized a large international symposium the brics and their social political and cultural challenges on the national and international levels there were six sessions of debates gathered under the umbrella of development and public policies social inclusion and social justice and emerging powers and transformations in the international system followed by a final plenary session around 30 anthropologists political scientists sociologists and researchers in international relations from brazil russia india china and south africa met over three highly productive days as might be expected at anpocs the encounter was marked not only by the diversity of countries and disciplines but also by the theoretical and political diversity of the participants something already apparent in the composition of the brazilian coordinators of the symposium this book is just one tangible outcome of the papers and dialogues emerging from this

encounter like the symposium the volume is divided into three sections looking to address an international readership it is published in portuguese and english
